Dom's Desires - Ellen Harper 2017-11-17

Dom's Desires is book 3 and finale of the Forbidden Nights Trilogy! He left me broken. But now he's back. The last time I saw Dom, I was moaning his name. I haven't said it since. Once upon a time, he was my best friend. The star of the high school baseball team, Dom lived next door and made me feel like I was the luckiest teacher's pet who ever lived. I was quiet, normal, and studious — completely the opposite of the bad boy with a smile that could drop a thousand panties. But for some reason, we clicked. And the sex was on another level. I was sure we'd be together forever. Dom and Michelle, sitting in a tree...you know how

that goes. I was wrong, though. He left me without so much as a goodbye. But just when I thought he was gone for good, he comes hurtling back into my life like a ninety-mile-an-hour fastball, bent on wrecking everything. It shouldn't matter. I plan on never talking to the S.O.B. again. But when I hear the latest news, my heart drops. Dear old Dom is going to be living much closer than I expected.

He Is the Exception - P.K. Ladnier 2019-02-28

A forbidden love is what they had. No one was supposed to know they were in love; that each night before bed, they each lay with someone else, but they would think of the other; that they tell them good night and I love you for the winds to carry the message to each other. Many messages the winds carried, but this one was always delivered with a swiftness. The wind itself knew that these two people belong together. They deserved to have the other. Each longed to hold the other at night when the stars were shining bright. The moon would whisper sweet lullabies to them as they held each other closely.

Their Dirty Girl - Aubrey London 2021-09-14

The only problem with small towns is that there's almost always something sinister lurking. Trapped in more ways than one, I found myself terrified of Gabriel but falling for Sebastian. The worst part was, I couldn't tell them apart. Identical twins using me as their plaything, taking me to the darkest points of pain and the highest points of pleasure. I never thought I'd crave the things they did to me, but I did. I never thought I'd agree to it all for the money—but I did. When I finally admitted what they'd made me into, they turned on each other. Depraved and absolutely out of their minds, the brothers fought for control of my body and my heart. And I had no say in who won.

She is beauty and love and sex and light, everything I am not. And she makes me want things I haven't desired in years. But the monsters of my life, the evil lurking in the dark corners of my soul, those places craven and vile, bind me to a past I cannot shake free. As the most skilled Keeper for the Gate, nothing and no one can prevent me from excelling at a job I never wanted. I do it because it is my legacy, a fate I cannot outrun, but when Juma becomes my next assignment, each of her nine lives to be ended by my hand, I must decide: the legacy I never wanted or the love I don't deserve. Taboo At Home Erotica 51 Book Collection - Susie Spanks

Betrayal Envy Toxic Taboo Young - Betty Edwards 2020-11-20

The reason for me writing this book is so that you would know how to forgive a person for the horrific things that they have done to you. As a child and teenager being bless at the end that still loving your self and being thankful for the children you have. At twelve, I was told by a doctor that my womb was damaged so bad that he wasn't sure if I was going to have children. Years after this, I gave birth to seven children—five boys and two girls. I lost one of my children in 2014 to sickness, and he died three days before his twenty-third birthday. I've been through a lot over the years, but I never let it get me down. I look up to God through it all. I have seen the people that hurt me and have forgiven them for me and not for them. I love my mother and forgave her. I understand not everyone is able to take care of their children. No need to take on a job you can't handle. I raised my children with love and I also tell them to never hurt people and the ones they love. If any of you are going through what I have been through, please get help and don't let this break you down. Seek therapy. Never stop loving yourself and stay strong and loving. You will be all right to the point where you will want to help others in a good way. I can say this because that's what I have been doing and I have people who look up to me, including my children. I am glad to be a blessing to someone.

How They Scored - Mark Pritchard 2009-10-02

Called to a gathering of friends he's known from college and from jobs in Silicon Valley, he has to decide whether saving his apartment and his love affair is worth mortgaging his soul as the newest employee of Dreedle, a fiendish corporation devoted to selling out the privacy of every individual to the highest bidder. How They Scored mixes speculation about the loss of privacy in the 21st century with a journey through the beds of the bohemians of San Francisco and Austin, Serbian fashion models, Las Vegas wheeler-dealers, and a "landscape artist" whose life work is a hole in the ground in the middle of the desert.
