Classic Ideas and Current Issues in American Government - Meenekshi Bose 2006-01

This reader offers succinct overviews of classic ideas and foundations of American government framed by contemporary issues and writings. Students are introduced to the classic debates, institutions, and individuals that shape American politics through key primary documents and shown how these issues remain at the core of policy making today. The included readings highlight questions about contemporary topics such as homeland security and affirmative action without losing touch with the timeless dilemmas of liberty, equality, and power.

American Government: Institutions and Policies - James Q. Wilson 2014-01-01

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for public policy coverage while maintaining focus on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives framing each chapter, Constitutional Connections relating current issues to founding principles, and How Things Work boxes that illustrate important concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Partisan Sort - Matthew Levendusky 2009-12-15

As Washington elites drifted toward ideological poles over the past few decades, did ordinary Americans follow their lead? In *The Partisan Sort*, Matthew Levendusky reveals that we have responded to this trend—but not, for the most part, by becoming more extreme ourselves. While polarization has filtered down to a small minority of voters, it also has had the more significant effect of reconfiguring the way we sort ourselves into political parties. In a marked realignment since the 1970s—when partisan affiliation did not depend on ideology and both major parties had strong liberal and conservative factions—liberals today overwhelmingly identify with Democrats, as conservatives do with Republicans. This “sorting,” Levendusky contends, results directly from the increasingly polarized terms in which political leaders define their parties. Exploring its far-reaching implications for the American political landscape, he demonstrates that sorting makes voters more loyally partisan, allowing campaigns to focus more attention on mobilizing committed supporters. Ultimately, Levendusky concludes, this new link between party and ideology represents a sea change in American politics.

American Government: Institutions and Policies, Brief Version - James Q. Wilson 2016-12-19

This popular brief text for the one-semester or one-quarter American Government course maintains the framework of the Wilson, DiIulio, Bose, and Levendusky comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. The 13th edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, BRIEF VERSION, offers coverage of the 2014 and 2016 campaigns and elections; budget battles and the sequestration of funds; ongoing debates about immigration, gay marriage, and other key issues in American politics; and foreign-policy decisions on Afghanistan, the Middle East, and North Korea. We have also reworked each chapter to focus on a clear set of learning objectives to guide students through the

material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Varieties of Police Behavior - James Q. WILSON 2009-06-30

The patrolman has the most difficult, complex, and least understood task in the police department. Much less is known of him than of his better publicized colleague, the detective. In this important and timely book, James Q. Wilson describes the patrolman and the problems he faces that arise out of constraints imposed by law, politics, public opinion, and the expectations of superiors. The study considers how the uniformed officer in eight communities deals with such common offenses as assault, theft, drunkenness, vice, traffic, and disorderly conduct. Six of the communities are in New York State: Albany, Amsterdam, Brighton, Nassau County, Newburgh, and Syracuse. The others are Highland Park, Illinois, and Oakland, California. Enforcing laws dealing with common offenses is especially difficult because it raises the question of administrative discretion. Murder, in the eyes of the police, is unambiguously wrong, and murderers are accordingly arrested; but in cases such as street-corner scuffles or speeding motorists, the patrolman must decide whether to intervene (should the scuffle be stopped? should the motorist be pulled over?) and, if he does, just how to intervene (by arrest? a warning? an interrogation?). In most large organizations, the lowest-ranking members perform the more routinized tasks and the means of accomplishing these tasks are decided by superiors, but in a police department the lowest-ranking officer--the patrolman--is almost solely responsible for enforcing those laws which are the least precise, the most ambiguous. Three ways or "styles" of policing--the watchman, the legalistic, and the service styles--are analyzed and their relation to local politics is explored. In the final chapter, Mr. Wilson discusses if and how the patrolman's behavior can be changed and examines some current proposals for reorganizing police departments. He observes that the ability of the patrolman to do his job well may determine our success in managing social conflict and our prospects for maintaining a proper balance between liberty and order. Table of Contents: 1. Introduction 2. THE PATROLMAN The Maintenance of Order Justice as a Constraint Some Organizational Consequences 3. THE POLICE ADMINISTRATOR Managing Discretion Critical Events 4. POLICE DISCRETION The Determinants of Discretion The Eight Communities The Uses of Discretion 5. THE WATCHMAN STYLE The Organizational Context Some Consequences 6. THE LEGALISTIC STYLE The Organizational Context Some Consequences 7. THE SERVICE STYLE The Organizational Context Some Consequences 8. POLITICS AND THE POLICE Politics and the Watchman Style Politics and the Service Style Politics and the Legalistic Style Some Findings from National Data 9. CONCLUSIONS AND POLICY IMPLICATIONS Reviews of this book: [This book] is a departure from the traditional treatise...and actually does take a large and long-awaited step toward revitalizing an exciting and important but inexcusably weak area of political science. --The American Political Science Review Reviews of this book: This book "must unquestionably become an indispensable study of politics in the American city. It is based on enormous and detailed research ... The material is presented in a controlled and disciplined no-nonsense style. --New York Review of Books Reviews of this book: This is surely one of the most informative books about the police ever written Varieties of Police Behavior is a rich, sophisticated book by an author unusually able to tackle the comprehensiveness and interdependence of the issues which affect police performance, and his analysis and conclusions have much to teach. --Times Literary

Supplement It is, without doubt, the finest book on the American police ever written, and Professor Wilson is one of our best-known scholars of urban affairs...Rich...full to the brim with increasing details and shrewd insight. Anyone who wants to have an informed opinion about the policeman's relations to law and order ought to read it. --Irving Kristol
American Philosophy - Barbara MacKinnon 1985-01-01

This anthology demonstrates the richness and diversity of the American intellectual heritage. In it we see how Jonathan Edwards grapples with the problem of how to reconcile freedom and responsibility with Calvinist religious beliefs; how Franklin and Jefferson exemplified American enlightenment thought; and how the Transcendentalists, Ralph Waldo Emerson and Henry David Thoreau, formulated their particular romantic idealist beliefs. A second and significant portion of the anthology is devoted to Pragmatism. Substantive excerpts from Peirce, James and Dewey, as well as Royce, are collected here. A third part is devoted to other Twentieth-Century American philosophies. No other collection of writings in this field includes the breadth of coverage that this one does. Among the chapters in this third part of the book are those on early Process Philosophy, Phenomenology, Positivism, and Language Philosophies. Selections from such philosophers as Whitehead, Weiss, Buchler, Gurwitsch, Sellars, Quine, Davidson, and Rawls, along with many others are included in this part. A final chapter is devoted to twentieth-century American Moral Philosophy. The book is specifically designed to be used as a text for courses in American philosophy. A substantive introduction that emphasizes the historical setting as well as major interests and ideas of the philosophers accompanies each chapter. Extensive bibliographies and study guide questions follow each chapter. The selections include more than any one course will cover, but in their completeness also allow individual teachers and readers to select what they want.

Golden Gulag - Ruth Wilson Gilmore 2007-01-08

Since 1980, the number of people in U.S. prisons has increased more than 450%. Despite a crime rate that has been falling steadily for decades, California has led the way in this explosion, with what a state analyst called "the biggest prison building project in the history of the world." *Golden Gulag* provides the first detailed explanation for that buildup by looking at how political and economic forces, ranging from global to local, conjoined to produce the prison boom. In an informed and impassioned account, Ruth Wilson Gilmore examines this issue through statewide, rural, and urban perspectives to explain how the expansion developed from surpluses of finance capital, labor, land, and state capacity. Detailing crises that hit California's economy with particular ferocity, she argues that defeats of radical struggles, weakening of labor, and shifting patterns of capital investment have been key conditions for prison growth. The results—a vast and expensive prison system, a huge number of incarcerated young people of color, and the increase in punitive justice such as the "three strikes" law—pose profound and troubling questions for the future of California, the United States, and the world. *Golden Gulag* provides a rich context for this complex dilemma, and at the same time challenges many cherished assumptions about who benefits and who suffers from the state's commitment to prison expansion.

Rethinking the Criminal Justice System - John J. DiIulio 1992

American Government: Institutions and Policies - James Wilson 2010-01-01

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. The significantly enhanced media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government, Essentials Edition: Institutions and Policies - James Q. Wilson 2018-10-11

The Essentials Edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES is a clear and approachable text for students trying to successfully understand American government. It sets the standard for

examining current issues in American politics, focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies as well as on who governs in the United States and to what ends. The sixteenth edition includes concise learning objectives, highlighted key concepts and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government: Brief Version - James Q. Wilson 2013-01-01

This popular brief edition text maintains the framework of the Wilson, DiIulio, and Bose complete text, emphasizing the historical development of the American political system, who governs, and to what ends. Completely up to date, AMERICAN GOVERNMENT: BRIEF VERSION, Eleventh Edition offers new coverage of such key and emerging issues as the 2012 campaigns and elections; leadership of President Obama and the 112th Congress; the economic downturn and ensuing policies; healthcare reform; foreign relations with North Korea and Iran; the war in Afghanistan; and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government: The Essentials - James Wilson 2007-12-05

The Essentials preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process. See the entry for Wilson/DiIulio, American Government: Institutions and Policies, Eleventh Edition, for more information. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Crime - James Q. Wilson 2002

Contributors describe the what is known about the capabilities and limitations of alternate policies and strategies to understand and control crime, in chapters on deterring crime, rehabilitation, biomedical factors in crime, schools, the labor market, and probation and parole. Other topics discussed include crime rates, juvenile crime, gun control, alcohol and drug abuse, the police, and prisons.

American Government: Institutions and Policies, Enhanced - James Q. Wilson 2020-01-01

Wilson/DiIulio/Bose/Levendusky's AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, ENHANCED, 16th Edition, combines excellent scholarship with practical examples and insight to give you a clear understanding of the U.S. government. The authors highlight current issues in American politics, focusing on the importance of governmental institutions, the historical development of procedures and policies as well as on who governs in the U.S. and to what ends. Up-to-date coverage includes changes during the Trump administration and results of the 2018 midterm elections. Links to contemporary debates on policy dynamics give you the opportunity to identify important issues in American politics, apply what you learn and maximize your comprehension. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

California Politics and Government - Larry N. Gerston 1999

Perspectives on American Politics - William Lasser 2011-01-01

PERSPECTIVES ON AMERICAN POLITICS is a thematically rich reader of current selections containing a wide range of perspectives that illustrate how the American system works. It is organized into four categories: Foundations, American Politics Today, Issue and Controversy, and View from the Inside. Selections reflect dramatic recent developments in American politics such as the 2008 election, the economic crisis, and the ongoing controversy over corporate influence in political campaigns. The text's thirteen chapters correspond with the most frequently assigned chapters of American Government textbooks, making it an ideal supplement to any core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Government: Institutions and Policies: The Essentials - James Q. Wilson 2012-01-01

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process while maintaining focus on three fundamental topics: the importance of institutions of American

government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives, Who Governs? and To What Ends? questions framing each chapter, and How Things Work boxes that illustrate important concepts. A state-of-the-art media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fixing Broken Windows - George L. Kelling 1997

Cites successful examples of community-based policing

Preventing and Reducing Juvenile Delinquency - James C. Howell 2009

This book informs readers about the latest research and the most promising and effective programmes for understanding, preventing and controlling juvenile delinquency.

Student workbook - Ken Mikos 2001

Reinforces and expands on vocabulary, grammar and language functions taught in the classroom.

Encyclopedia of Prisons and Correctional Facilities - Mary Bosworth 2005

This two-volume set aims to provide a critical overview of penal institutions within a historical and contemporary framework. The encyclopedia also contains biographies, articles describing important legal statutes, as well as detailed and authoritative descriptions of the major prisons in the United States.

Downsizing Democracy - Matthew A. Crenson 2020-03-03

Originally published in 2002. In *Downsizing Democracy*, Matthew A. Crenson and Benjamin Ginsberg describe how the once powerful idea of a collective citizenry has given way to a concept of personal, autonomous democracy. Today, political change is effected through litigation, lobbying, and term limits, rather than active participation in the political process, resulting in narrow special interest groups dominating state and federal decision-making. At a time when an American's investment in the democratic process has largely been reduced to an annual contribution to a political party or organization, *Downsizing Democracy* offers a critical reassessment of American democracy.

American Government - James Q. Wilson 2010-03

Understanding America - Peter H. Schuck 2009-04-07

The idea of an exceptional America remains controversial. In this dazzlingly comprehensive collection of essays, some of the nation's best scholars and thinkers take on the weighty task of sizing up Goliath in a way Americans and others can comprehend. These twenty studies in American exceptionalism provide a solidly researched and in-depth analysis on the current state of our institutions, our values, and our challenges for the future.

American Government, AP Edition* - James Wilson 2010-01-01

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, *AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES* sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. American Government, Essentials Edition - James Q. Wilson 2014-01-01

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, *AMERICAN GOVERNMENT: THE ESSENTIALS* focuses on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. The policymaking process and politics of policy are discussed in Chapter 1, and new *Policy Dynamics: Inside/Outside the Box* features integrate policy coverage throughout the text without the extra length of domestic and foreign policy chapters. Features such as learning objectives, Constitutional Connections relating current issues to founding principles, and How Things Work boxes illustrating important processes,

help you organize your study and master the book's key concepts. The state-of-the-art media package available for this text provides online tools that help you interact with the material to prepare for class, study for exams, and succeed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Performance Measures for the Criminal Justice System - John J. DiIulio (Jr.) 1993

A Discussion paper from the BJS-Princeton Project.

American Government Study Guide 2016-17 - Peter Wielhouwer 2016-05-01

A comprehensive study guide to accompany Wilson, DiIulio, Bose, and Levendusky's *American Government: Institutions and Policies* 15th edition, standard and "essentials" versions (Cengage 2017). This study guide includes comprehensive study questions and vocabulary and concept lists for each chapter. Based on the well-known SQ3R study strategy, a checklist of multiple study and learning activities are provided for each chapter in the text book.

Dilemmas of Scale in America's Federal Democracy - Martha Derthick 1999-06-13

This book focuses on local traditions, seeking to recapture their origins, explain their impact and assess their worth.

Body Count - William John Bennett 1996

"Body Count diagnoses America's plague of violent crime. Its authors - William Bennett, John DiIulio, and John Walters - define the epidemic's size, its range, and its scope. Through stories and anecdotes they present the very real human tragedies behind the numbers. Most important, they describe the source of violent crime: abject moral poverty, the destitution visited upon children raised without loving, capable, responsible adults who teach right from wrong. Though dozens of other explanations have been offered for America's horrifying rates of violent crime - from academics and clinicians, cops and social workers, politicians on the right and the left - they are, at best, proxies for the real cause. It is not prisons (or their scarcity), guns (or their excess), the death penalty, the exclusionary rule, or even material impoverishment. Look to the root of a criminally twisted tree, the authors argue, and you will find only moral poverty and its parasite: drug abuse." "And argue they do, with both powerful rhetoric and rigorous analysis. Bennett, DiIulio, and Walters demolish such myths as economic poverty causes crime; the United States imprisons a disproportionate number of its citizens; drug abuse is a victimless crime...and nothing useful can be done about it anyway; the death penalty is today a major deterrent of crime; and incarceration doesn't work." "Each and every one of these myths is not merely wrong but tragically mistaken. The authors draw upon an immense fund of hard data and offer some of the most serious analysis ever given to America's criminal justice system - a system designed to protect America from violent crime, a system that has, for all practical purposes, failed, with one in three violent crimes committed by a person on either probation, parole, or pre-trial release. Body Count offers a radically new reading of the problem, proposes controversial but necessary policies at every level of government, profiles cities that are making progress against violent crime, and appeals to responsible citizens from all points on the political compass to join forces in the battle against moral poverty. It is certain to be one of the most read, discussed, and argued about books of the year." -

How Partisan Media Polarize America - Matthew Levendusky 2013-09-05
Forty years ago, viewers who wanted to watch the news could only choose from among the major broadcast networks, all of which presented the same news without any particular point of view. Today we have a

much broader array of choices, including cable channels offering a partisan take. With partisan programs gaining in popularity, some argue that they are polarizing American politics, while others counter that only a tiny portion of the population watches such programs and that their viewers tend to already hold similar beliefs. In *How Partisan Media Polarize America*, Matthew Levendusky confirms—but also qualifies—both of these claims. Drawing on experiments and survey data, he shows that Americans who watch partisan programming do become more certain of their beliefs and less willing to weigh the merits of opposing views or to compromise. And while only a small segment of the American population watches partisan media programs, those who do tend to be more politically engaged, and their effects on national politics are therefore far-reaching. In a time when politics seem doomed to partisan discord, *How Partisan Media Polarize America* offers a much-needed clarification of the role partisan media might play.

Crime and Public Policy - James Q. Wilson 2011

This collection of articles presents the latest scientific information on the causes of crime and evidence about what does and does not work to control it.

American Government - James Q. Wilson 2005-09

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, *American Government* sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features include students in the material, including chapter outlines, suggested web links for research, and How Things Work boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents, election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes Who governs? And to What Ends? questions that open each chapter to engage students in the material, and Reconsidering Who Governs and Reconsidering to What Ends at the close of the chapter to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.

Student Handbook, American Government Institutions and Policies, Ninth Edition, James Q. Wilson and John J. DiIulio, Jr - P. S. Ruckman 2004

Why Government Fails So Often - Peter H. Schuck 2015-08-25

"From healthcare to workplace conduct, the federal government is taking on ever more responsibility for managing our lives. At the same time, Americans have never been more disaffected with Washington, seeing it as an intrusive, incompetent, wasteful giant. The most alarming consequence of ineffective policies, in addition to unrealized social goals, is the growing threat to the government's democratic legitimacy. Understanding why government fails so often--and how it might become more effective--is an urgent responsibility of citizenship. In this book, lawyer and political scientist Peter Schuck provides a wide range of examples and an enormous body of evidence to explain why so many domestic policies go awry--and how to right the foundering ship of state. Schuck argues that Washington's failures are due not to episodic problems or partisan bickering, but rather to deep structural flaws that undermine every administration, Democratic and Republican. These recurrent weaknesses include unrealistic goals, perverse incentives, poor and distorted information, systemic irrationality, rigidity and lack of credibility, a mediocre bureaucracy, powerful and inescapable markets, and the inherent limits of law. To counteract each of these problems, Schuck proposes numerous achievable reforms, from avoiding moral hazard in student loan, mortgage, and other subsidy programs, to empowering consumers of public services, simplifying programs and testing them for cost-effectiveness, and increasing the use of "big data." The book also examines successful policies--including the G.I. Bill, the Voting Rights Act, the Earned Income Tax Credit, and airline deregulation--to highlight the factors that made them work. An urgent call for reform, *Why Government Fails So Often* is essential reading for anyone curious about why government is in such disrepute and how it can do better"--
