Crone's Book of Magical Words (previously published as The Crone's Book of Words) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations and charms. Witchcraft, Demonology and Magic - Marina Montesano 2020-05-20

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization,

however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out all mono-causality theories, investigating a plurality of causes.

In *Angels of Miracles and Manifestation*, best-selling spiritual, magickal and paranormal author Embrosewyn Tazkuvel, reveals the secrets to summoning true magickal angels. And once called, how to use their awesome divine power to transform your compelling needs and desires into manifested reality. Angel magick is the oldest, most powerful and least understood of all methods of magick. Ancient books of scripture from multiple religions tell of the marvelous power and miracles of angels. But the secrets of the true angel names, who they really are, their hierarchy, their stewardship responsibilities, their sigils, and how to successfully call them and have them work their divine magick for you, was lost to the world as a large part of it descended into the dark ages. But a covenant was made by the Archangel Maeádael to the Adepts of Magick that as the people of the world evolved to a higher light the knowledge and power of angels would come again to the earth during the time of the Generation of Promise. That time is now. We are the Generation of Promise that has been foretold of for millennium. And all that was lost has been restored. It doesn't matter what religion or path of enlightenment and empowerment that you travel: Wicca, Christianity, Pagan, Jewish, Buddhist, Occult, Muslim, Kabbalah, Vedic, something else or none at all. Nor does your preferred system of magick from Enochian, Thelemic, Gardnerian, Hermetic, to Tantric matter. Once you know the true names of the mighty angels, their unique sigils, and the simple but specific way to summon them, they will come and they will help you.

“Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation.”
