**Intermediate Hydrostatics** - William Briggs 1910

*Xenophon's ›Anabasis‹ and its Reception* - Tim Rood 2022-10-24

This volume constitutes the first large-scale collaborative reflection on Xenophon's Anabasis, gathering experts on Greek historiography and Xenophon. It is structured in three sections: the first section provides a linear reading of the Anabasis through chapters on select episodes (from Book 1 through Book 7), including the opening, Cyrus' characterisation, the meeting of Socrates and Xenophon, Xenophon's leadership, the marches through Armenia and along the Black Sea coast and the service under Seuthes in Thrace. The second section offers an in-depth exploration of hitherto overlooked recurrent themes. Based on new approaches and scholarly trends, it focuses on topics such as the concept of friendship, the speeches of characters other than Xenophon, the suffering of the human body, the role of rumour and

misrepresentation, and the depiction of emotions. The third section offers a more thorough investigation of the manifold reception of this work (in Antiquity, Byzantium, Renaissance, modern period, in cinema studies and illustrations). Finally, in acknowledgement of the Anabasis' long history as a pedagogical text, the volume contains an envoi on the importance and benefits of teaching Xenophon and the Anabasis, more specifically.

**English Translations from the Greek: A Bibliographical Survey** - Finley Melville Kendall Foster 2022-06-02

Originating from a study of the people's attitude in the first thirty years of the nineteenth century toward the classics, English Translations from the Greek by Finley Melville Kendall Foster lists the significant translations published during those years. In order to have the necessary material for a close study of the original list, extensive research was conducted for around fifty years. The result of these discoveries is embodied in the list of translations that make up this book's contents. Foster hopes to educate people about and make them familiar with the various kinds of Greek literature that have been popular at different times during the last four hundred and thirty years. He has in no way attempted to discuss the standards or the benchmarks of a good translation, the reason being that the making of an English version of a Greek original presents difficulties little distinct from those of translation from any other language into English.

**The Examination Statutes ... Together with the Regulations of the Boards of Studies and Boards of Faculties** - University of Oxford 1910

*Bulletin of the New York Public Library* - New York Public Library 1915

Includes its Report, 1896-1945.

**Journal of Education and School World** - 1910

**Report of the State School Book Commission** - Ohio. State School Book Commission 1913

**The Battle for the Keys** - Justin Bass 2014-04-07

There has been a lack of serious historical investigation of the famous creedal statement 'Christ descended into hell' that was universally affirmed by the church for the first 1500 years of Church history. This unique book is an in-depth investigation of the history of the doctrine of Christ's descent and how Revelation 1:18 alludes to that significant doctrine. The author demonstrates a real passion and a rigorous argument for Christ's triumphal descent into the underworld in order that he would 'fill all things' (Eph 4:10).

**The Publishers' Trade List Annual** - 1877

**Facilities for Foreign Students in American Colleges and Universities** - Samuel Paul Capen 1921

*Year-book* - University of Southern California 1909

**Xenophon: Anabasis Book III** - Xenophon 2019-03-21

First comprehensive commentary on a section of Anabasis in English for a century, reflecting scholarly

advances for students and scholars.

**In the Land of a Thousand Gods** - Christian Marek 2018-12-18

This monumental book provides the first comprehensive history of Asia Minor from prehistory to the Roman imperial period. In this English-language edition of the critically acclaimed German book, Christian Marek masterfully employs ancient sources to illuminate civic institutions, urban and rural society, agriculture, trade and money, the influential Greek writers of the Second Sophistic, the notoriously bloody exhibitions of the gladiatorial arena, and more.
