Texts from Mittens - Angie Bailey 2015-03-31

Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers' Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. "Each installment of Texts From Mittens is like a little gift to brighten your day!" —Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy "Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!" —Jeremy Greenberg, Author of Sorry I Barfed on Your Bed "We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level." —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weeak. Caan hasrdly tyyype. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

PostSecret - Frank Warren 2005-11-29

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

The Art of Rush: Serving a Life Sentence - Hugh Syme 2021-09-21
Newly expanded and updated, this beautiful coffee table book delves into the 40-year relationship between Rush and their longtime artist and illustrator, with a foreword by drummer and lyricist Neil Peart! Containing original illustrations, paintings, photography, and the incredible stories behind each album that Hugh Syme has designed with the band since 1975. The book's narration was written by music journalist Stephen Humphries and includes in-depth interviews with each Rush band member and the artist. The Art of Rush also contains entertaining anecdotes and commentary from a wide array of notable musicians, actors, athletes, writers, radio personalities, and Rush insiders about their favorite Rush album covers, which clearly reveals how vital and impactful the visual representation of their music has been through the years. One of the hallmark's of Rush releases is the considerable care and consideration that goes into each one--including the conceptual artwork. Readers may be surprised to discover just how much effort went into each concept and the execution for every album cover! Some of the regaled stories include furtively crossing the border for a guerilla-style shoot for A Farewell to Kings, trying to herd a warren of rabbits for the cover of Presto, descending into the depths of an autopsy lab to find a brain for Hemispheres, and a stunt involving fire, whiskey, and photographer Deborah Samuel for Moving Pictures. But no history of the band's art would be complete without the story of the creation of arguably the band's most iconic image, The Starman from 2112. "From the first time Hugh and I met, we shared a level of communication that would sustain us through all the years of discussing art by long distance," says Rush's Neil Peart. The Art Of Rush is a must for fans of Rush, art, and music everywhere.

The Art of Gathering - Priya Parker 2020-04-14
"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Forgotten English - Jeffrey Kacirk 1999-02-17

Have you ever sent a message via scandaroon, needed a nimgimmer, or fallen victim to bowelhive? Never heard of these terms? That's because they are a thing of the past. These words are alive and well, however, in Forgotten English, a charming collection of hundreds of archaic words, their definitions, and old-fashioned line drawings. For readers of Bill Bryson, Henry Beard, and Richard Lederer, Forgotten English is an eye-opening trip down a delightful etymological path. Readers learn that an ale connor sat in a puddle of ale to judge its quality, that a beemaster informed bees of any important household events, and that our ancestors had a saint for hangover sufferers, St. Bibiana, a fact pertinent to the word bibulous. Each selection is accompanied by literary excerpts demonstrating the word's usage, from sources such as Shakespeare, Dickens, Chaucer, and Benjamin Franklin. Entertaining as well as educational, Forgotten English is a fascinating addition to word lovers'

books.

Love for Imperfect Things - Haemin Sunim 2020-02-04

Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In *Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things—including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself—and the flaws that make you who you are—can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.
