

Friendship Festival 2019

Dear Circle of Friends,

NorthPointe Christian students and staff are excited to host the Friendship Festival this year! Our theme is “Treasured”. Our chosen verse is Deuteronomy 7:6 which states, “The Lord your God has chosen you to be his own special treasure.” The theme we chose reminds each student of their value in the eyes of our Savior. We are excited to celebrate each “treasured” student!

We are thrilled to host friends from all over West Michigan! Below are the details you will want to know:

We are looking forward to meeting friends, both old and new, during this special day! Please let us know if you have any questions or concerns. We look forward to great day of learning about how treasured we are by our Savior!
